

PROVEN PERFORMER

Vended Laundry

SSENXA (stack dryer - electric)

SSGNXA (stack dryer - gas)

Dryer features

- Durable galvanized steel cylinder with an extra-large 198 litres of volume
- Efficient dryer heating with 27 MJ (gas models) and up to 4,000 Watts (electric models)
- Extended tumble helps eliminate wrinkling by tumbling for two minutes at 20 minute intervals if the dryer door isn't opened decreasing fire risk
- Quiet, efficient blower system uses a superior airflow of 5100 litres per minute for fast efficient drying
- 1913.8 sq. cm door opening is the largest in the industry, providing easy loading and unloading for customers
- Single slot electronic multi denomination coin drop for versatility and accuracy
- Digital display and countdown

Quantum™ Gold

In addition to its network capabilities and remote off-site management features, Quantum™ Gold offers additional owner and customer benefits such as PC programming and machine audit capabilities, as well as time-of-day pricing, a “lucky cycle” for loyal customers and the ability to interface with the store owner’s payment systems. Cycle modifier keys create additional profit opportunities for store owners.
