

 **Speed Queen®**

tested to outlast

Limited Warranty - Coverage and Length*

COMMERCIAL AUTOMATIC TOPLOAD WASHER

This limited warranty is extended to the first owner or by warranty transfer to a new owner of an Alliance Laundry Systems commercial automatic washer. We will provide a free replacement for any of the following parts which fails as a result of a defect in material or workmanship for the period shown below from the date of original installation:

- **THREE** years (36 months) limited warranty on complete washer
- **FIVE** years (60 months) limited warranty on transmission assembly
- **FIVE** years (60 months) limited warranty on base and cabinet assembly against rust and corrosion from the inside out
- **LIFETIME** limited warranty on the stainless steel wash tub against rust and corrosion

COMMERCIAL DRYER, STACKED DRYER, COMMERCIAL TUMBLER OR DRYING TUMBLER

This limited warranty is extended to the first owner or by warranty transfer to a new owner of an Alliance Laundry Systems commercial dryer, commercial tumbler or drying tumbler. We will provide a free replacement for any of the following parts which fails as a result of a defect in material or workmanship for the period shown below from the date of original installation:

- **THREE** years (36 months) limited warranty on complete drying tumbler
- **FIVE** years (60 months) limited warranty on base and cabinet assembly against rust and corrosion from the inside out (small dryer only)

HORIZON FRONTLOAD WASHERS OR STACK WASHER/DRYER*

This limited warranty is extended to the first owner or by warranty transfer to a new owner of an Alliance Laundry Systems commercial frontload washer, stacked dryer or washer/dryer. We will provide a free replacement for any of the following parts which fails as a result of a defect in material or workmanship for the period shown below from the date of original installation:

- **THREE** year (36 months) limited warranty on complete frontload washer and dryer
- **FIVE** year (60 months) limited warranty on the bearings and bearing seal assembly
- **FIVE** years (60 months) limited warranty on base and cabinet assembly against rust and corrosion from the inside out
- **LIFETIME** limited warranty on the stainless steel wash basket against rust and corrosion

COMMERCIAL WASHER-EXTRACTOR (SOFTMOUNT AND HARDMOUNT)*

This limited warranty is extended to the first owner or by warranty transfer to a new owner of an Alliance Laundry Systems commercial frontload washer-extractor (softmount and hardmount models). We will provide a free replacement for any of the following parts which fails as a result of a defect in material or workmanship for the period shown from the date of original installation:

- **THREE** year (36 months) limited warranty on complete washer-extractor
- **FIVE** year (60 months) limited warranty for On-Premises Laundry applications (hardmount and softmount washer-extractor) on the frame, cylinder, shaft assembly, bearings and bearing seal assembly.
- **TEN** year (120 months) limited, transferable warranty for Vended (hardmount washer-extractor) on the frame, cylinder, shaft assembly, bearings and bearings seal assembly.

Limited Warranty - Not Covered

We will not provide a replacement of any part which fails for reasons other than defective material or workmanship. This includes, but is not limited to, failure as a result of abuse, misuse, improper installation and transportation damage. We will not pay labor and transportation charges incurred in the replacement of any part. We are not responsible for any consequential and incidental damages resulting from any malfunction. Refer to warranty bond for specifications.

LABOUR WARRANTY

Speed Queen Equipment Sales labour warranty of 12 months from date of invoice applies.

HOW TO OBTAIN REPLACEMENT PARTS UNDER THIS LIMITED WARRANTY

Parts which fail within the warranty period must be ordered from Speed Queen Equipment Sales, Ph: (03) 9495 1300, Fax: (03) 9495 1600. Proof of purchase, model number, serial number and defective part are required in order to obtain credit.

PROVEN PERFORMER

Compact Commercial Laundry

LWNA62 / LWS52 (top loading washer),
LDE3TR (electric dryer), LDG3TR (gas dryer)

Top loading washer features

- Extra large capacity 8kg stainless steel tub keeps clothes looking their best
- Advanced suspension system reduces the possibility of an unbalanced load
- Commercial quality metal transmission offers highest reliability and durability
- Multi-cycle controls provide washing options to fit your laundry needs
- Large lid opening for easy loading
- Optional extra length inlet hoses

Single dryer features

- Rated as 9kg load capacity with durable galvanized steel cylinder with an extra-large 198 litres of volume
- Efficient dryer heating with 21 MJ (gas models) and up to 4,000 Watts (electric models)
- Large, easy-to-clean lint compartment
- Reversible door
- 1913.8 sq. cm door opening is the largest in the industry, providing easy loading and unloading
- Optional venting positions (refer Installation Guide)
- Optional drying rack, Part No. D512082,

Controls

Traditional Top Load-Washer Dial control

The Dial Cycle Controls features a straightforward start switch design and offers users simple program - water level - temperature and load selections.

Single Dryer Dial control

The simple push button start and Mech dial control features our straightforward design. Offers users simple drying selections (Auto Dryness and timed). Audible Buzzer, front easy clean filter.

PROVEN PERFORMER

Compact Commercial Laundry

LFNE5B (front loading washer)

LDDE5B (electric dryer), LDGE5B (gas dryer)

Front loading washer features

- Improved suspension with new out-of-balance logic manages and redistributes unbalanced loads for uninterrupted wash cycles
- High spin speed up to 1,200 rpm removes more water from clothes, speeding up drying cycles and lowering dryer energy usage
- A pump drain allows our front load washers to be installed adjacent to or replace top load washers with no special plumbing
- Redesigned supply dispenser features four compartments and automatically dispenses as needed for a complete wash

Single dryer features

- Durable galvanized steel cylinder with an extra-large 198 litres of volume
- Efficient dryer heating with 21 MJ (gas models) and up to 4,000 Watts (electric models)
- Large, easy-to-clean lint compartment
- Reversible door
- 1,913.8cm² door opening is the largest in the industry, providing easy loading and unloading
- Quiet, efficient blower system uses a superior airflow of 5,100 litres per minute for fast, efficient drying
- Moisture sensing system gives accurate temperature control, protecting garments and reducing energy consumption

Options and Accessories:

Hose Upgrades:

- In order to customise the installation of the Speed Queen Washer. We make available 3 variations of the Factory supplied inlet hose.

- Part# 204108 - 3mt standard metric fitting (Hot or Cold)

Recommended for LFNE5B

- Part# 2.5-MET-MET-RA - 2.5mt 90deg metric fitting (Hot or Cold)

2 units required per machine

- Part# 200125HRA - 1.4mt 90deg metric fitting (Hot)

- Part# 200125CRA - 1.4mt 90deg metric fitting (Cold)

- Part# 204108 - 1.2mt Factory Supplied Standard metric fitting (Hot or Cold)

This is supplied with the 4 rubber washers and 2 filters in the installation kit with each Washing machine

Plinth Upgrade:

- In order to customise the installation of the Speed Queen Washer. We make available 2 variations of the Factory supplied solid steel (Black) Base.

Our fabricated **Base H12** or **Base H6** Has specialised bolt positions in the front, that suit the LFNE5B & LDEE5B Ensuring a stable position for machine operation. And optimal height for the user.
